LETTER TO SHAREHOLDERS

# A Defining Year

Fiscal 2026 was a **defining year for Salesforce**. We delivered $41.5 billion in full-year revenue, up 10% year-over-year, and closed the year with a record fourth quarter that exceeded expectations across every key metric.

Agentforce has reached **$800 million in annual recurring revenue**, growing 169% year-over-year. We closed over 29,000 deals, with production accounts increasing nearly 50% in Q4. Our platform delivered 2.4 billion Agentic Work Units.

We returned **$14.3 billion to shareholders** in FY26 and announce a new $50 billion buyback authorization and 5.8% dividend increase.

CHAPTER 04

# Customer Impact

From pilot to production: how enterprises across industries are deploying Agentforce at scale.

**40%**
RESOLUTION LIFT

**3x**
MATCHING SPEED

ENTERPRISE ADOPTION

# Agentforce in Production

**Wiley (Education)** — Customer service resolution rate increased 40%. AI agents handle tier-1 inquiries autonomously, freeing human agents for complex cases.

**Saks Fifth Avenue (Retail)** — Personal shopping agents drive double-digit AOV lift through hyper-personalized recommendations combining purchase history and inventory data.

**OpenTable (Hospitality)** — Reservation management automated end-to-end, processing thousands of requests per hour during peak dining with near-zero error rates.

**Adecco Group (Staffing)** — Candidate matching velocity accelerated 3x using AI-powered resume parsing, skills assessment, and cultural-fit scoring.

ENTERPRISE ROI

**30–50%**

Reduction in routine task handling time across Agentforce deployments

CHAPTER 06

# Forward Guidance & Outlook

FY27 guidance and the path to $63 billion.

**~$46B**
FY27 GUIDE

**$63B**
FY30 TARGET

LOOKING AHEAD

## The Path to $63 Billion

For **FY27**, Salesforce guides revenue of $45.8–$46.2 billion (+10–11%). Q1 FY27 expected at $10.65–$10.70 billion. Non-GAAP operating margin guided to 34.0%.

Subscription growth should remain in the **low double digits**, driven by Agentforce attach rates and Data 360 expansion. Informatica integration on track for $200M in run-rate synergies by early FY28.

Management reiterated its **FY30 target of $63 billion**, implying a mid-teens CAGR. The bull case: Agentforce becomes a usage-based revenue engine at scale.

### 01

**Agentforce Monetization**

Usage-based pricing on 2.4B+ AWUs creates a revenue engine that scales with customer value.

### 02

**Data Gravity Moat**

112 trillion records in Data 360. Switching costs compound with every integration.

### 03

**Capital Return Machine**

$50B buyback. 99% of FCF returned. Growth and returns simultaneously.

> **"Agentforce is the most transformative technology Salesforce has ever developed. It is fundamentally changing the way businesses operate."**
